SCHOOL SONG

Let this light of knowledge take us from the darkness of ignorance to the Supreme Being (Brahma)

Let us all walk towards this Divine path of perfection

This temple of learning acts as our eternal guide.

It is endowed with all the adornments of knowledge which will remove all shortcomings and lead us to perfection.

All teachers are skilled, wise and experts in their fields, constantly imparting their wisdom tirelessly.

It is the students' fortune to receive their blessings.

The playground holds the secret of their physical and mental strength and the Assembly Hall caters to all other virtues.

In such an enriched atmosphere,

There cannot be any one who is untouched by the riches of the surroundings.

HELPING YOUR CHILD AT HOME AND SCHOOL

Suggestions for how you can help your child become a better learner.

- a) Make sure your child has a good attendance record. Missing school means he / she falls behind in his / her work. The child then becomes anxious, upset and can't cope up.
- b) Establish a regular time and place for studying.
- c) Encourage your child and express your happiness and pride in his / her efforts and accomplishments.
- d) As your child is beginning to learn English, a new language, encourage him / her to engage in conversations and respond to questions in English. Let him / her begin to answer in one or two words and then move on to simple sentences. Expect errors at this stage but appreciate his / her efforts.
- e) Read to your child. Let your child see you reading. Encourage your child to discover the magic of reading at an early age. Be a reading model.
- f) Monitor H.W. assignments and offer help when appropriate.
- g) Encourage him/her to participate in the co-curricular activities conducted by the school & help him / her develop a well-rounded personality.
- h) Keep your child healthy by providing :
 - ◆ a balance diet
 - ◆ eight to nine hours sleep each night
 - ◆ regular medical check-ups.
 - ◆ good personal hygiene habits
 - ◆ comfortable & clean clothes
- i) Please Stay in touch with his / her teacher. Discuss about your child's progress with the teacher & together try to find solutions.
